

c2e LLC Privacy Statement

Effective December 01, 2009. The following describes c2e LLC (further referred to as c2e), use and disclosure of information gathered from online visitors to certain websites owned and operated by c2e.

At c2e, we are keenly aware of the trust you place in us and our responsibility to protect your privacy. As part of this responsibility, we let you know what information we collect when you use our products and services, why we collect it and how we use it to improve your experience. We have 5 privacy principles that describe how we approach privacy and user information across all of our products:

- Use information to provide our users with valuable products and services.
- Develop products that reflect strong privacy standards and practices.
- Make the collection of personal information transparent.
- Give users meaningful choices to protect their privacy.
- Be a responsible steward of the information we hold.

This web site is the responsibility of c2e, 384 Bel Marin Keys, Suite 230, Novato, CA 94949. The web server on which this web site is housed is owned and maintained by fatcow. The following policies apply to www.carbon2efficiency.com and all other web sites, web pages and/or web properties owned and operated by c2e (collectively "Sites").

1. Collection of Personal Information from Site Visitors

In order to access certain services or restricted areas within any of our Sites, we may require that you provide certain identifying information. This information may include your legal name, address, telephone number, e-mail address, subscriber name or screen name, and password used to access our services. We reserve the right to request any additional information necessary to establish and maintain services to you.

c2e may automatically collect and/or track (1) the home server domain names, e-mail addresses, type of client computer, and type of web browser of visitors to our web site, (2) the e-mail addresses of visitors that communicate with us via e-mail, post messages to our bulletin boards, or post messages to our chat groups, (3) information knowingly provided by the visitor in sales orders, registration forms, surveys, and contest entries, and (4) aggregate or specific information on what pages visitors access.

Some c2e pages may use a technology called "cookies" so that we can better serve visitors when they visit our web site, request additional information about our company, products or services, or participate in various activities posted on our site. These cookies may be used to obtain data such as the visitor's name, user-name and pages or advertisements viewed by the visitor. When the visitor revisits the company's web site, we can recognize the visitor by the Internet cookie and customize the visitor's experience accordingly. Although cookies are stored on the visitor's hard drive and not stored, in any form, by us, the visitor can set his or her browser to provide notice whenever a cookie is received, which gives the visitor the opportunity to decide whether to accept it or not.

2. Use of Personal Data Collected

Personal data collected by us will be used for marketing and promotional purposes, feedback purposes, for a statistical analysis of users' behavior, for product development or enhancement, for content improvement, and to customize content and layout of our site. Names, postal and e-mail addresses, and phone numbers collected may be added to our databases and used for future contact regarding new products and services, upcoming events, and customer service.

3. Disclosure of Personal Data to Third Parties

We maintain a secured area on our Sites for transmission of personal data, and store all personal data in a private database which is not connected to the Internet. Although we will use all reasonable efforts to safeguard the confidentiality of the personal data you provide to us, transmissions made by means of the Internet cannot be made absolutely secure. We will have no liability for disclosure of such data due to errors in transmission or interception by unauthorized acts of third parties. We may, from time to time, make certain contact information about our customers available to third parties for the following purposes: we may disclose information to vendors who facilitate and/or support our customer transactions; we may disclose information to entities to whom we are legally required to disclose information; and/or we may disclose information to third parties with whom we have relationships through which permission-based marketing is conducted.

Any third party with whom we have a relationship pursuant to which we provide, rent, sell or otherwise disclose data collected from visitors to our site will be carefully pre-screened, determined by us to be reputable, and will use the data provided solely for marketing products and services which we determine, in our sole judgment, that visitors to our Sites might find of interest.

5. Access to and Ability to Correct Personal Data

The C2e website may include contact forms for customers to request information and services. In such instances, c2e collects customer Personally Identifiable Information (PII), such as a name, an e-mail address, a mailing address, and telephone number. PII

may be used to contact customers and send customers information about c2e , the services available on the c2e website, and to provide information about other topics and discussion groups. c2e will not sell or rent PII to other organizations in ways that are different from what is disclosed in this Privacy Statement. PII may be disclosed as required or permitted by law.

6. Other Sites

Our Sites may contain links to other sites. Other sites may also reference or link to our Sites. c2e LLC is not responsible for the privacy practices or the content of such other sites.

7. Company's Right to Change Privacy Policy

By using the Sites, you signify your assent to this Statement. If you do not agree with the terms of this Statement, please do not visit our Sites. We reserve the right, in our sole discretion, to change, modify, add, or remove portions from this Statement at any time. Your continued use of our Site following the posting of changes to these terms shall be deemed your consent to any such changes. Such changes will be evidenced by a change in the effective date for this Statement set forth above.
